

December 24, 2020

Dear Canastota Central School Families, Faculty and Staff,

As we settle in for our much needed Holiday break, please remember to continue to protect yourself and those around you from COVID-19 by:

- Staying at least 6 feet apart from others who do not share the household with you.
- Wear a mask over your mouth and nose when you are not able to social distance.
- Wash your hands frequently.

We hope to be together again soon for in-person learning in our buildings. We need everyone to work together to prevent the continued spread of COVID-19. If you or your child are ill, tested positive for COVID-19 or instructed to quarantine for an exposure to someone with COVID-19 please notify the School Health Office as soon as possible. We will be checking our emails over the break:
